AUGUST 2016

## 57th ANNIVERSARY SPECIAL: 25% OFF THIS AUGUST

In August of 1959, the very first Skopelos opened on Cervantes Street. Over the decades some things have changed, including our locations on Scenic Highway and now on Palafox Street, but what has remained is your incredible support!

**To thank the community and our guests, we're celebrating our 57th Anniversary by offering 25% off all lunch and dinner entrees through the entire month of August!**

Choose from lunch plates like the Gulf Grouper Margarita or Muskogee Wharf Scampi; in the evening, receive 25% off our Signature Scamp Cervantes or 25 Day, Dry Aged, Bone In Ribeye.

Whether you dined with us in 1959 on Cervantes, enjoyed meals with us at Skopelos on the Bay, or just met us in Downtown Pensacola, we look forward to celebrating our Pensacola history with you this August!

*\*please note, 25% off special includes lunch plates & dinner entrees only, through August*

## NEW MENUS

We have updated and expanded our menus! Our Chefs are excited to add a new Certified Angus Lip-On Ribeye to the dinner menu, and guests have been giddy to see Scamp Cervantes added to the lunch menu!

We also have a new, *very* expansive specialty cocktail menu, new wines from vineyards around the world, and more. Take a look at what's new on our website!

## SPECIAL GUEST

Imagine the surprise of our lunch guests when Senator Marco Rubio rounded the corner! Senator Rubio, his staff and local supporters stopped by Skopelos at New World for a recent lunch and Q&A with the Senator (shown here with Chef Silivos).

## WEDDINGS AT SKOPELOS

At Skopelos on the Bay, hosting weddings was something that brought a smile to every person on our staff's face. With our new location Downtown, not only do we continue the tradition of hosting ceremonies and receptions, but we have the added bonus of [New World Inn](#) on site! The intimate 15-room boutique hotel includes a Bridal Suite, where beautiful moments like this happen just steps from the reception area while the Bride gets ready...and its location allows the Bride & Groom to escape within seconds of the reception's closing. We love being a place for everything the Bride & Groom need.
